

MAS PASSAMANER, ONE OF THE THIRTY BEST HOTELS OF THE WORLD,
according to the Hygge International Guide

The Hotel Mas Passamaner (www.maspassamaner.com) built in the locality of La Selva del Camp, Tarragona has been declared one of the thirty best hotels of the world, of which only four are Spanish.

La Selva del Camp (Tarragona) May 2007. There are thirty seven Hotels included in this particular Guide, four of which are Spanish. Among these is the Hotel Monument Mas Passamaner.

Hygge is a one hundred percent Danish concept set up by the high quality audiovisual company, Bang & Olufsen. It signifies “enchanted”. The Guide refers to those special places where the guest feels quite at home when visiting one of the establishments.

The specialists who have chosen these (almost 40) hotels have taken into account service to client as the main aspect, other qualities, such as careful attention to detail, tasteful decoration and surroundings have been registered very clearly.

The Hotel Monument Mas Passamaner, generally features in national and international guides as one of the most outstanding, thanks to its singular construction, which pertains to the Modernist Catalan, and its privileged surroundings in an extensive area of approximately 20.00sq.mts.- also its characteristic installations.

The Spa situated in the modern annex offers an elaborate list of treatments ranging from facial to body.

Another big attraction of Mas Passmaner is its restaurant La Gigantea under the direction of the prestigious chef Joaquin Koerper. His summer menu is presently starting using excellent local products from the region.

The Hygge Guide gives an awareness of well cared for intimate, artistic hotels where the common denominator is quality and the continuous quest for the wellbeing of their clients.

Mas Passmaner has **19 double rooms, 5 suites & 2 royal suites.**
5 meeting rooms.

The **restaurant, La Gigantea** is under the direction of Joaquim Koerper, owner of 5 Michelin Stars.

The **Spa** offers personalised treatments for health care.
